WELCOME TO DASHA

From its grand interior to its meticulously curated menus and service, an exceptional sensory experience is yours to discover at DASHA! A unique take on Pan-Asian cuisine and cocktails in the heart of King West, DASHA's two floors feature striking art, neon lights, a vibrant house playlist, and even private karaoke and dining spaces. Melding tradition with modern flair, DASHA is a celebration of culinary delights, ambiance, and exceptional service that promises unforgettable moments for every guest.

Celebrate the holiday season in one of our private dining spaces - the Mezzanine or Chandelier Room!

Our Mezzanine can accommodate anywhere from 10 to 20 guests. The space is located on the second floor of the restaurant, completely private but overlooking the Main Dining Room below as an open concept space.

CHANDELIER ROOM

The Chandelier Room at DASHA is a special hidden gem on King West. Our private dining and event space is located on the first floor, completely private and closed off from the other spaces with it's own entrance, bar, and sound system. As you step inside, you're enveloped by mirrored walls, opulent velvet panel detailing, and a custom chandelier and gilded disco ball ceiling installation.

The Chandelier Room can hold up to 30 guests for a seated dining experience, and up to 85 for a standing event.

Let us help you plan whatever style of celebration your group is looking for this holiday season!
